What were the Fund costs for the year?

(based on a hypothetical \$10,000 investment)

Class Name	Costs of a \$10,000 investment	Costs paid as a percentage of a \$10,000 investment
Institutional Class	\$117	0.99%

How did the Fund perform last year?

The Institutional Class (the “Class”) returned 35.95% for the period of November 1, 2024 to October 31, 2025. The Class outperformed its benchmark, the S&P 500® Index, which returned 21.45% for the same Period. This outperformance was due to the following:

Class NAV Performance Attributed to*:

Futures Plus Interest on Cash Equivalents	37.03%
Expenses (annual expense ratio)	-0.99%
Commissions	-0.09%
Class NAV Performance	35.95%

The Fund holds futures contracts designed to target the Fund’s objective.

* The Class performance is impacted by changes in the values of the futures to which it is exposed. We attribute (allocate) the impact on the Class performance into three components. The first of the three components is the impact on the Class performance due to changes in the Fund’s futures holdings plus interest earned on cash equivalents. The second component is the pro-rated expense ratio for this Class. The third component is the impact due to commissions incurred from trading the portfolio.

Reorganization

The Fund’s Board of Trustees approved an Agreement and Plan of Reorganization for the Fund. The Board recommended that shareholders approve the reorganization and has authorized the submission of the Reorganization proposal to shareholders of the Fund for approval. In connection with the reorganization, shareholders of the Fund will receive shares of a newly created series of a First Trust Series Fund (“acquiring fund”) with an aggregate net asset value equal to the value of their Fund shares immediately prior to the reorganization. Following the reorganization, First Trust Advisors L.P. will serve as investment adviser to the acquiring fund, and Vest Financial, LLC will serve as investment sub-adviser. The Board of Trustees has determined that the reorganization is in the best interests of the Fund and that shareholders will not experience dilution as a result of the reorganization. The reorganization is expected to qualify as a tax-free transaction for federal income tax purposes, and no sales charges or redemption fees will be imposed in connection with the reorganization.
